

The Global Youth Camp for Social and Solidarity Economy

- **Title : The Global Youth Camp for Social and Solidarity Economy**
'Reviva! The Youth revive the society'

The program is a 4 day youth camp for a total of 110 young people (between 19~35 y.o) to provide them with a setting where they can engage in discussions on social and environmental problems that our society is faced with. The camp will be held in two locations according to the detailed program, including a field trip to social economy sites in Seoul

- **Date** : 2017. 8. 22(Tue) ~ 8. 25(Fri)
- **Venue** : Seoul City Hall (22nd Aug only), Gurye iCOOP Natural Dream Park
- **Participants** : About 110 young people (excepting 20 supporters & staff)

Please recommend relevant candidates who fulfill following criteria described below.

- **Key selection criteria** :

- Youth who are between 19~35 years old, and who have been involved in social venture or activities related to social economy more than minimum of 1 year
- Youth who feel keenly the necessity of international solidarity & cooperation and want to develop cooperative projects
- Youth who can do follow-up activities approximately 1~2 years after the camp
- (Required) English communicative competence

For those who are interested please fill out the application form (Click) by July 16th.

※ *Please note that the gender balance will be considered in the selection and confirmation process.*

※ *If you have any question/ inquiry, please contact us (youthcamp@gsef-net.org)*

- **Methodology**

- Total of 5 speakers will be invited as participants for plenary sessions including the round table
- Total of 5 facilitators (4 facilitators from MTA*, 1 facilitator from Underdogs*)
 - MTA : 'MTA' stands for Mondragon Team Academy, which is the Innovation and Entrepreneurship unit of Mondragon University Business School established in May 2008 to create an international community of young team entrepreneurs, multicultural leaders and change makers rooted on strong values of co-creation, teamwork, solidarity and cooperation. During the subject sessions, the methodology of MTA, "learning by doing", will be adopted by facilitators.
 - Underdogs : 'Underdogs' is a social enterprise established in 2015 for social venture incubating and creating social impact based on collaboration and solidarity among people who are entrepreneurs. Participants will have the chance to develop innovative solutions by engaging in a working group facilitated by Underdogs.
